

## **LEADER CONNECT (FIRST TUESDAY primarily)**

Leader Connect is a planned time to have device generated (computer, tablet or phone) audio/visual communication for follow-up, accountability, vision casting, schedule sharing and personal interaction. These 30-45 minute sessions will provide opportunities to have all North Michigan District pastors (solo, lead and staff) connect on a regular basis. Using Zoom will allow no travel time (hopefully for all our pastors) and build greater connectivity within the credentialed clergy. If for some reason your computer or WI-FI connection is inadequate, make arrangements to visit a nearby colleague and join the Leader Connect session together. Choose only one of the times to connect. Follow the instructions to connect to Zoom.

## **LEAD ON - LEAD UP LEADERSHIP INVESTMENT/ENRICHMENT**

We believe in the importance of personal interaction and the value of time spent together to enrich each other in ministry/pastoral service. With a goal to have healthy pastors and healthy churches this initiative will enable quality time for leadership training, discussion, personal and ministry applications. Lead On - Lead Up Leadership Investment/Enrichment events will take place in 5 day time locations and 2 evening locations across the district and you can determine what location will work best for you. **Attend only one Lead On-Lead Up Event** but if you have a desire to attend more than one, join us on the road. The two hour sessions will take place three or four times per year. Minimal travel time (except for a few) will allow less time away from your family, church and community while at the same time give an opportunity to have fellowship with colleagues before or after the Lead On - Lead Up event.
